Please note that our CoC made the determination to include renewals in Tier 1 as a result of the lingering effects of COVID-19 and Hurricane Ida. A currently operational project experiencing a loss of funding coupled with the time it takes to begin a new project would be detrimental to the clients we serve. We anticipate that moving forward with the FY 2022 CoC Application, renewals will not automatically be included in Tier 1. This is the result of an extraordinary set of circumstances.

Please note that our CoC made the determination to include renewals in Tier 1 as a result of the lingering effects of COVID-19 and Hurricane Ida. A currently operational project experiencing a loss of funding coupled with the time it takes to begin a new project would be detrimental to the clients we serve. We anticipate that moving forward with the FY 2022 CoC Application, renewals will not automatically be included in Tier 1. This is the result of an extraordinary set of circumstances.
