

## **Before Starting the Project Listings for the CoC Priority Listing**

**The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.**

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.
- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHPD Renewal; and
- YHDP Replacement.
- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New and Renewal Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.
- Project applications on the following Project Listings must be approved, they are not ranked per the FY 2022 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- YHPD Renewal Project Listing; and
- YHDP Replacement Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

**3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 2500 characters)**

This project was not submitted for renewal in e-snaps. The grantee was notified of deadline for submission and offered technical assistance in completion of the grant. The deadline for renewals to complete applications in e-snaps was September 9, 2022. The CoC reached out to project staff on multiple occasions to determine if a renewal would be submitted. As of September 23, a renewal was still not submitted.

The CoC board voted to reallocate the funds due to a lack of demonstrated capacity to operate as a CoC grantee. As of 8/10/2022, the project has not completed one drawdown for its grant ending 7/31/2022. The organization has not able to expend its awarded funds for the past several grant periods. The organization is currently restructuring and should they demonstrate capacity required to operate a project in the future, they will be eligible to apply for future funding opportunities. The CoC will provide technical assistance to ensure that the FY21 grants are operated appropriately.
